Our Preamble

The Gateway is a group of Widespread Panic fans who choose to remain drug and alcohol free. We are not affiliated with Alcoholics Anonymous, Narcotics Anonymous, the Panic or The Wharf Rats. The Gateway has absolutely no opinion on the issue of drugs and alcohol, and neither condemns or condones it. Our simple purpose is to provide support and information to those who seek the comfort and camaraderie of other clean and sober people at shows. The only requirement for membership is a desire to stay substance-free at shows. Though The Gateway consists primarily of those recovering from addiction, we are open to anyone who wishes to remain clean and sober at shows.

Dear Gateway Volunteer,

Hello and thank you for your interest in chairing The Gateway table! The only requirement for chairing the table is that you have over 1 year clean and sober in some form of recovery program. Though The Gateway is open to all who choose to live a clean and sober lifestyle, we feel it is important that the chair people have a recovery background that will provide the experience necessary in helping newcomers with questions about addiction.

The following guidelines have been created to help you be as prepared as possible during your service working the table. We cannot anticipate everything that may occur and ask that you use your best judgment in dealing with situations that may arise. **As a table worker, you are a representative of The Gateway at all times. Keeping this in mind, we ask that you refrain from any vending and cooperate entirely with all venue personnel and management, and any band crew, personnel or management. Being able to have a table at the show is a great privilege and one that can easily be revoked if it is not respected.**

Keep in mind that everyone is entitled to his or her opinion and not all will appreciate what The Gateway's doing. We ask that when dealing with these people, and anyone for that matter, you avoid arguments or debates and maintain an attitude of kindness, patience and tolerance. Kindly let them know that your purpose is to provide support to those who seek it. You may simply tell one "The Gateway, as a group, has no opinion on drugs and alcohol use". Also remember that those who heckle might need us most in the future. Let them know by "attraction" that we'll be there.

Thank you again for your interest in serving. We hope you find this to be an interesting and rewarding opportunity. Please print these instructions and follow them carefully. Please feel free to contact us with any questions. Have a great show!

Love,
The Gateway

WHAT TO BRING

- **Candy** - Always pick up candy beforehand. Three bags of "Kiddie Mix" & two bags of chewy mix found at any Wal-Mart usually does the trick. You can also get some lollypops and little stickers too if you like. **Remember to save your receipts!**
- **Newsletters** – You should have at least 100 copies of the newsletter for each show. If no newsletters are available please download tour flyer off the service work section of our website www.soberfans.com.
- **A copy of these instructions.** In case you get confused.
- **Replacement supplies** – The Gateway bin now travels with the band and will be stocked at the beginning of tour with all of the supplies mentioned below. Chair people like you are responsible for keeping it stocked throughout tour. At the end of the show you are chairing you should make sure the NEWSLETTERS and supplies mentioned below are all in stock for the next show. **When you notice we're out of something, write it down and get it before the next show.** If you are not going to the next show, give the list to a reliable Gateway member to replenish for the next show. You can get most of this at a Wal-Mart; it's best to not wait until the last minute and save your receipts! Here is a list of all the supplies that should be found in The Gateway bin:

Gateway supplies:

MEETING LIASON

- ◆ Your tickets will be under either your name or “Gateway Volunteer” at the will call box office once the band’s list arrives. Please be patient and don’t always expect to get inside before the doors open. Once inside, the Gateway box travels with the merchandise table and there you will find all of your supplies minus the night’s candy and balloons. In the RARE instance that something TOTALLY AWFUL happens and you cannot avoid being late, simply get to the Gateway supply box at merchandise as quickly as possible and set up where they have your pre-arranged table waiting. There is to always be a volunteer at the table throughout the concert so please feel free to take turns enjoying the show but remember why you volunteered and that the commitment is to be helpful and provide support to those seeking it at our table. If there are ANY issues call the regional table coordinator you scheduled thru or Patrick Whelan at 502-572-6763.

SETTING UP

- * **VERY IMPORTANT!!! - Do not wander around or go into the concert area during sound check!** (Enjoy it from the table.)
- ◆ In the event that a table can not be provided, select an area to set up and make do. If the table is in an inappropriate location, such as a narrow hall or opposite a beer stand, consult with the merchandise or security about having it moved.
- ◆ The supplies will be found in The Gateway bin that travels with the bands merchandise supplies.
- ◆ Set table up and cover with tapestry.
- ◆ Hang banner and balloons - try to make visible from a distance.
- ◆ On table set up:
 1. **Basket of candy**
 2. **Newsletters**
 3. **Donation box** - don’t let more than a few dollars accumulate at a time and keep the rest of the money in a secure place.
 4. **Membership Directory** - get name, address, phone, e-mail and make note of anyone who is interested in service work in the future. The directory is NOT A NEWSLETTER MAILING LIST. It is a member contact list.
 5. **Bumper stickers** (stickers are for \$1.00 or greater donations. Per WSP’s request, nothing that says “Wharf Rat” or has Grateful Dead logos on it may be displayed at the table. Mark how many stickers you sell /night in the binder.)
 6. **Set lists kits** (small parts of pencils, sharpened, and index cards).
 7. **Stickers, glitter and other various sundries** that suit your whimsy.
- ◆ Locate telephones, rest rooms, first aid, and the security office if it makes you more comfortable.
- ◆ Designate area to serve as a message board. You usually can get some cardboard to use as a message board from one of the vendors inside. Attach a pen.

SHOW TIME

- ◆ A Gateway member should remain at the table from the time the table is set up till the end of the show. If you have to leave the table during this time, it is your responsibility to make sure your partner or another trusted member will watch the table.
- ◆ The general duties of the table worker during this time, apart from finding someone to chair the meeting (see MEETING FORMAT) are to be at the table to meet new members, answer questions about The Gateway, provide support to anyone in need and SPREAD THE VIBE!! Use your own experience, strength and hope as a resource and don't hesitate to ask other members for help if you need assistance in answering someone's questions. SMILE, LAUGH, **HAVE A BLAST!!!**
- ◆ Working the table can sometimes be draining. Take care of yourself and feel free to have a trusted Gateway member sit in for a few minutes if you need a break. Take a walk, talk to someone or DANCE, DANCE, DANCE!!!!

THE MEETING

JB may say "we'll be right back" but historically the set break usually lasts about 40 minutes. After the first set ends, give people at least 5 minutes to make their way to the table. You can chair, or ask someone who is local to the area if they would like to chair the meeting. Begin by reading the suggested format. Try to close it up after 25 minutes to give people enough time to return to their seats. Make sure that anyone who might still need to talk after the meeting knows you are available. Try to note how many people attended in the notebook.

BREAKING TABLE DOWN

- ◆ Once the show is over, you may begin to break everything down. Venue personnel will want to keep things moving, so try to pack up quickly. Pack the bin and take it to the merchandise people for transport to the next show.
- ◆ **Make sure you remove all balloons from the walls and any tape used to mount them!!!**
- ◆ **Inventory supplies** - Take note of any supplies that need to be replenished (newsletters, candy, tape, stickers, etc.) and do one of the following: a) if you will be at the next show, pick up the needed supplies and bring them the next evening, b) pass the list on to the next person working the table and let them know they need to replenish those supplies or c) find a member who will be at the next show and is willing to pick up the supplies. **Don't forget receipts!**
- ◆ Count all money from the donation box and the collection basket. You may reimburse yourself for the supplies you bought for the table - balloons, tape, candy, copies, pen, paper, etc. **DO NOT ALLOW MONEY TO ACCUMULATE IN THE BAG OR ON YOUR PERSON!!! Get a check and send it along with the receipts in a SASE with the name of the show the money is from to our Treasurer:**

Patrick Gillies-city/date of show
3005 Feathercrest Drive
Austin, Texas 78728

- ◆ If you are chairing several shows in a row, make sure you send the envelopes in as you go. All excess money must be sent to Patrick as soon as possible. NOTE: All money will go towards Gateway expenses such as supplies, mail outs, copies, bumper stickers, phone expenses, web services, etc and towards building a prudent reserve. Please document total amount in notebook.

☺ **THANK YOU FOR YOUR SERVICE!!** ☺
